

PAYLESS CAR KEYS CORP.

KEY CUTTING AND MODULE PROGRAMMING AUTHORIZATION FORM

I, _____ registered owner of this vehicle:

Make: _____

Model: _____

Year: _____

Vin: _____

I, authorize Payless Car Keys Corp.

To make a key by the door lock cylinder and (or) program key by the module and (or) repair my damaged module.

I, understand that module programming service involves reading and in some cases writing memory of the module and the key will be programmed directly to the memory of the module.

I am aware that this service might not fix problems related to the electrical issues or damaged data inside the module.

I, agree that Payless Car Keys Corp take no responsibility for damaged or corrupted data in the memory of the module of your car.
